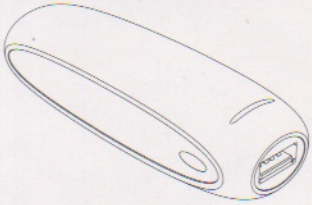
IN THE BOX

Power Pack



User Manual

Micro USB Charging Cable

USING THE POWER PACK

To charge devices with the Power Pack:

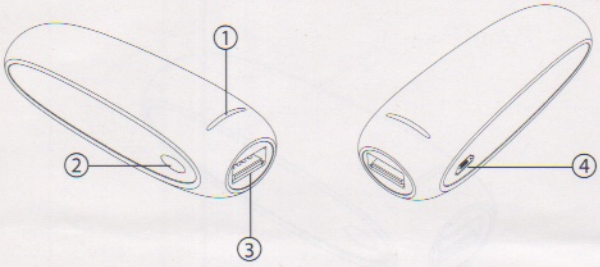
1. Connect the USB end of your device's charging cable to the USB output charging port on the Power Pack.

2. Connect the other end of your device's charging cable to your device's charging port (please refer to your device's user guide for charging).

3. Press the [⏻] button to start charging.

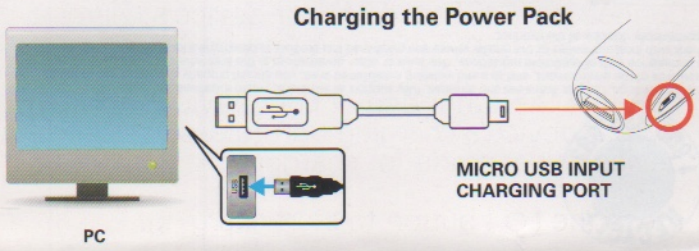
NOTE: If the device you are charging draws too much power from the Power Pack, it will stop charging and go into standby mode. If this happens, unplug the device from the Power Pack, then recharge the Power Pack to get it back into charging mode.

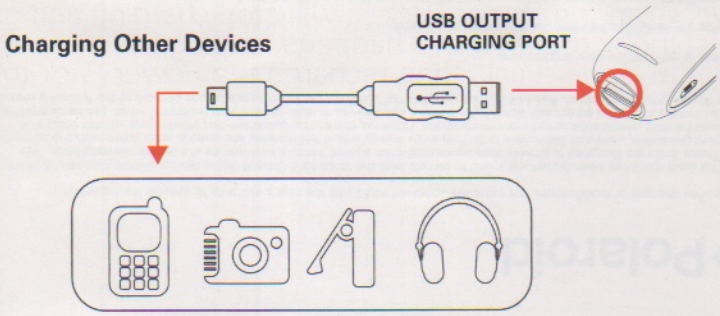
LOCATION OF CONTROLS



1. LED power level indicator lights
2. **[⏻] button:**
   - Quick press - start charging
   - Quick press - power level check
3. USB output charging port - for charging devices such as smartphones
4. Micro USB input charging port - for charging the Power Pack

USING THE POWER PACK





USING THE POWER PACK

To charge the Power Pack:

1. Connect the small end of the included Micro USB cable to the Micro USB input charging port on the Power Pack.
2. Connect the large end of the included Micro USB cable to an available USB port on your computer or an AC power adapter (not included).
3. The LED indicator light will flash when charging to display device's power level:

<25% capacity | 25-50% capacity | 50-75% capacity | >75% capacity

4. When done charging, remove the cable from the ports.

To check if the Power Pack is charged:

Press the [⏻] button once. The LED indicator light light up according to its level of power (see above).

LIMITED WARRANTY

This product as supplied and distributed new by AIT, Inc. ("AIT") to the original consumer purchaser is warranted by AIT against defects in material and workmanship for a period of one year from your date of purchase ("Warranty"). In the unlikely event that this product is defective, or does not perform properly, you may within one year from your original date of purchase return it to the authorized service center for repair or exchange.

TO OBTAIN WARRANTY SERVICE:

- Call the Customer Support number located below, or go to our website portal to receive an SRO number.
- Provide proof of the date of purchase within the package (Dated bill of sale).
- Prepay all shipping costs to the authorized service center, and remember to insure your return.
- Include a return shipping address (no P.O. Boxes), a telephone contact number, and the defective unit within the package.
- Describe the defect or reason you are returning the product.

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping, will require you to file a claim with the carrier.

The shipping address of the authorized service center is:

AIT, Inc.
ATTN: Customer Service (2nd Floor)
14-C 53rd Street
Brooklyn, NY 11232

IN NO EVENT WILL AIT, ITS MANUFACTURERS, DISTRIBUTORS OR PLR IP HOLDINGS, LLC BE LIABLE FOR ANY INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (SUCH AS, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA OR RECORDS) RELATED TO THIS PRODUCT. EXCEPT AS STATED HEREIN, NO OTHER WARRANTIES SHALL APPLY.

Polaroid

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

PLR IP Holdings, LLC, its licensees and affiliates, fully support all electronic waste initiatives. As responsible stewards of the environment, and to avoid violating established laws, you should properly dispose of this product in compliance with all applicable regulations, directives or other governances in the area where you reside. Please check with local authorities or the retailer where you purchased this product to determine a location where you can appropriately dispose of the product.

Instantly recognizable. Instantly reassuring. The Polaroid Classic Border and Polaroid Color Spectrum logos let you know you've purchased a product that exemplifies the best qualities of our brand and that contribute to our rich heritage of quality and innovation
